## No.003

**TO** : All CCS Lightning Dealers

**DATE** : November 2, 2006

**SUBJECT** : **SETTING TIME OF DAY**

The time of day cannot be set on the cab controller (parts # 1060919 with software Rev.2.1 or lower) between 12:00PM and 1:00PM.

If time is set between 12:00PM and 1:00PM the time will default to AM.

When setting the clock ensure the time is prior to 12:00PM or after 1:00PM.

This does not affect other functions or normal operation.
