

INFORMATION BULLETIN

No.009

TO : All CCS Lightning Dealers

DATE : Nov.14, 2008

SUBJECT : 1067129-LTDWAR

These units are new old stock refurbished 10K systems that have a limited PARTS ONLY warranty, no labour claim will be considered against this system. They have been identified with the following label to alert technicians servicing the product of the limited warranty.

As per the "Letter of Understanding" all claims to Mechron require the APU serial #. It is advised that should a product not bear a serial identification number on the APU, the service facility should call Mechron to verify warranty coverage prior to performing service or repairs.
